Got To Get You Into My Life

2 III *****

I was alone, I took a ride,
I didn't know what I would find there
Another road where maybe I could see another kind of mind there

Ooh, then I suddenly see you,
Ooh, did I tell you I need you
Every single day of my life → Chorus

You didn't run, you didn't lie
You knew I wanted just to hold you
And had you gone you knew in time we'd meet again
For I had told you

Ooh, you were meant to be near me
Ooh, and I want you hear me
Say we'll be together every day → Chorus

Got to get you into my life ↑ Chorus

What can I do, what can I be,
When I'm with you I want to stay there
If I'm true I'll never leave
And if I do I know the way there

Ooh, then I suddenly see you,
Ooh, did I tell you I need you
Every single day of my life → Chorus

Got to get you into my life ↑ Chorus
Got to get you into my life → Chorus

I was alone, I took a ride,
I didn't know what I would find there
Another road where maybe I could see another kind of mind there
Then suddenly I see you,
Did I tell you I need you..

After
Chorus:

I can't believe that it's real
The way that you make me feel
A burning deep down inside
A love that I cannot hide

Our love is you and me baby
That makes the world go 'round
And if you've been doin' lovin' with me
Layin' all my troubles down

Here I am, baby
Come and take me
Here I am, baby
Come and take me
Take me by the hand
Show me
Here I am, baby

It always ends up this way
Me begging you every day
A love that I cannot have
You broke my heart into half

Our love is you and me baby
That makes the world go 'round
And if you've been doin' lovin' with me
Layin' all my troubles down

Here I am, baby
Come and take me
Here I am, baby
Come and take me
Take me by the hand
Squeeze me
Here I am, baby

When I'm down
I can always call you
For a helpin' hand
I know you'll do the best you can

But it don't take much from me
Just my cup of Joe
Oh there's love inside me
I believe there's going to be an explosion

It's tough for me, oh baby
I can do worry
Tell me all your troubles
You won't ever have to worry now

Just one more thing, ask everybody
Everybody you see, no, no
You'll find yourself lost
And alone on a darkened street

Here I am, baby
Come and take me
Here I am, baby
Come and take me
Take me by the hand
Show me
Here I am, take me
Here I am, show me, won't you

Here I am, baby
Come and take me
Won't you teach me, baby?
Won't you take me by the hand?
Teach me
Here I am, baby

Just yesterday morning they let me know you were gone
Suzanne the plans they made put an end to you
I walked out this morning and I wrote down this song
I just can't remember who to send it to

I've seen fire and I've seen rain
I've seen sunny days that I thought would never end
I've seen lonely times when I could not find a friend
But I always thought that I'd see you again

Won't you look down on me, Jesus
You've got to help me make a stand
You've just got to see me through another day
My body's aching and my time is at hand
And I won't make it any other way

oh, I've seen fire and I've seen rain
I've seen sunny days that I thought would never end
I've seen lonely times when I could not find a friend
But I always thought that I'd see you again

I've been walking my mind to an easy time
My back turned towards the sun
Lord knows the cold wind blows it'll turn your head around
Well, there's hours of time on the telephone line
To talk about things to come
Sweet dreams and flying machines in pieces on the ground.

oh, I've seen fire and I've seen rain
I've seen sunny days that I thought would never end
I've seen lonely times when I could not find a friend
But I always thought that I'd see you, (baby) (one more time again, (now))

Thought I'd see you one more time again
There's just a few things coming my way this time around,
Thought I'd see you, thought I'd see you fire and rain, now
Thought i'd see you just one more time again.

Go Your Own Way

by Unknown

Loving you
Isn't the right thing to do
How can I ever change things
That I feel

If I could
Maybe I'd give you my world
How can I
When you won't take it from me

(1) You can go your own way
Go your own way
You can call it
Another lonely day
You can go your own way
Go your own way

Tell me why
Everything turned around
Packing up
Shacking up is all you wanna do

(2) If I could
Baby I'd give you my world
Open up
Everything's waiting for you

(K) You can go your own way
Go your own way
You can call it
Another lonely day
You can go your own way

Go your own way

Son of a preacherman Aretha Franklin

Billy Ray was a preacher's son
And when his daddy would visit he'd come along
When they gathered around and starting talkin'
That's when Billy would take me walkin'
Out through the back yard we'd go walkin'
Then he'd look into my eyes
Lord knows, to my surprise

The only one who could ever reach me
Was the son of a preacherman
The only boy who could ever teach me
Was the son of a preacherman
Yes he was, he was, ooh, yes he was

Bein' good isn't always easy
No matter how hard I try
When he started sweet-talkin' to me
He'd come'n tell me "Everything is all right "
He'd kiss and tell me "Everyting is all right "
Can I get away again tonight ?

The only one who could ever reach me
Was the son of a preacherman
The only boy who can ever teach me
Was the son of a preacherman
Yes he was, he was, ooh, yes he was (yes he was)

How well I remember
The look that was in his eyes
Stealin' kisses from me on the sly
Takin' time to make time
Tellin'me that he's alle mine
Learin' from each other's knowin'
Lookin' to see how much we've grown and

The only one who could ever reach me
Was the son of a preacherman
The only boy who could ever teach me
Was the son of a preacherman
Yes he was, he was, ooh, yes he was

(The only one who could ever reach me)
He was the sweet-talkin' son of a preacherman
(The only boy who could ever teach me)
Was the son of a preacherman

(The only one who could ever reach me)
Was the sweet-talkin' son of a preacherman

KNOCK ON WOOD

Amii Stewart

- music and lyrics by Eddie Floyd & Steve Cropper

I don't want to lose you, this good thing
that I got 'cause if I do
I will surely,
surely lose a lot.
'Cause your love is better
than any love I know.

It's like thunder and lightning,
the way you love me is frightening.
You better knock, knock on wood, baby.

I'm not superstitious about ya
but I can't take no chance.
I got me spinnin', baby,
you know I'm in a trance.
'Cause your love is better
than any love I know.

It's like thunder and lightning,
the way you love me is frightening.
You better knock, knock on wood, baby.

It's no secret about it,
that woman is my loving cup
'cause she sees to it
that I get enough.
Just one touch from here,
you know it means so much.

It's like thunder and lightning,
the way you love me is frightening.
You better knock, knock on wood, baby.

You better knock, knock, knock on wood ...

Take The Long Way Home

Supertramp

Songwriters: DAVIES, RICHARD / HODGSON, ROGER

→ - 2 - 2 - 2 - 2 | x

① So you think you're a Romeo, playing a part in a picture-show
 We take the long way home, take the long way home
 Cos you're the joke of the neighbourhood, why should you care if you're feeling good
 Take the long way home, take the long way home

② There are times that you feel you're part of the scenery, all the greenery is comin' down boy
 Then your wife seems to think you're part of the furniture, oh it's peculiar, she used to be so nice

③ Lonely days turn to lonely nights, you take a trip to the city lights
 And take the long way home, take the long way home
 You never see what you want to see, forever playing to the gallery
 You take the long way home, take the long way home

④ When you're up on the stage it's so unbelievable, unforgettable, how they adore you
 But then your wife seems to think you're losing your sanity, oh calamity, well is there no way out?

⑤ (Ooh, take the long way home) 2 2 2 2
 (Take it, take it, take it home) 2x2

⑥ Does it feel that you life's become a catastrophe, oh it has to be for you to grow boy
 When you look through the years and see what you could have been, oh what might have been if you'd had more time
 So when the day comes to settle down, who's to blame if you're not around?
 You took the long way home, you took the long way home, you took the long way home (Same thing again)
 You took the long way home, you took the long way home (For luck), you took the long way home
 You took the long way home, you took the long way home

Logical Song Supertramp

u4 u1 x4

When I was young, it seemed that life was so wonderful, a miracle, it was beautiful, magical

And all the birds in the trees, well they'd be singing so happily, joyfully, playfully, watching me

u4 u3

But then they send me away to teach me how to be sensible, logical, responsible, practical

And they showed me a world where I could be so dependable, clinical, intellectual, cynical

There are times when all the world's asleep
The questions run too deep for such a simple man
Won't you please, please tell me what we've learned
I know it sounds absurd but please tell me who I am

u4 u3

I said now, watch what you say, now we're calling you a radical, a liberal, fanatical, criminal

Won't you sign up your name, we'd like to feel you're acceptable, respectable, presentable, a vegetable

But at night, when all the world's asleep
The questions run so deep for such a simple man

Won't you please (Won't you tell me), (You can tell me what) please tell me what we've learned (Can you hear me?)

I know it sounds absurd, (Won't you help me) please tell me who I am, who I am, who I am

u4

But I'm thinking so logical

Did you call, one two three four

It's getting unbelievable

For five long years
I thought you were my man

Oh, you got me where you want me
I ain't nothin but your fool
Ya treated me mean
Oh you treated me cruel

Chain, chain, chain
(Chain, chain, chain)
Chain of fools)

Every chain, has got a weak link
I might be weak child, but I'll give you strength
Oh, babe
(Woo, woo, woo, woo)
You told me to leave you alone
(Ooo, ooo, ooo, ooo)
My father said 'Come on home'
(Ooo, ooo, ooo, ooo)
My doctor said 'Take it easy'
(Ooo, ooo, ooo, ooo)
Oh but your lovin is just too strong

But up until the day

Let Me Entertain You (Robbie Williams)

1. Hell is gone and heaven's here
 There's nothing left for you to fear
 Shake your ass come over here
 Now scream

 Of everything I used to be
 You're my rock of empathy, my dear

2. So come on let me entertain you - Let me entertain you

3. Life's too short for you to die
 So grab yourself an alibi
 Heaven knows your mother lied
 Mon cher
 Separate your right from wrongs
 Come and sing a different song
 The kettle's on so don't be long

4. So come on let me entertain you - Let me entertain you

5. Look me up in the yellow pages
 I will be your rock of ages
 Your see through fads and your crazy phases yeah
 Little Bo Peep has lost his sheep
 He popped a pill and fell asleep
 The dew is wet but the grass is sweet my dear

6. Your mind gets burned
 With the habits you've learned
 But we're the generation that's got to be heard
 You're tired of your teachers and your school's a drag
 You're not gonna end up like your mum and dad

Superstition Stevie Wonder

Very superstitious, writing's on the wall,
Very superstitious, ladders bout' to fall,
Thirteen month old baby, broke the lookin' glass
Seven years of bad luck, the good things in your past.

When you believe in things that you don't understand,
Then you suffer,
Superstition ain't the way

Very superstitious, wash your face and hands,
Rid me of the problem, do all that you can,
Keep me in a daydream, keep me goin' strong,
You don't wanna save me, sad is my song.

When you believe in things that you don't understand,
Then you suffer,
Superstition ain't the way, yeh, yeh.

Very superstitious, nothin' more to say,
Very superstitious, the devil's on his way,
Thirteen month old baby, broke the lookin' glass,
Seven years of bad luck, good things in your past

When you believe in things that you don't understand,
Then you suffer,
Superstition ain't the way, no, no, no

Ain't nobody

Rufus & Chaka Khan

1. Captured effortlessly, that's the way it was,
 happened so naturally, I did not know it was love.
 The next thing I felt was you holding me close,
 what was I gonna do, I let myself go.
 And now we fly through the stars,
 I hope this night will last forever.

2. I've been waiting for you, it's been so long,
 I know just what I would do when I heard your song
 You filled my heart with a kiss, you gave me freedom,
 You know I could not resist, I need someone.
 And now we're flying through the stars,
 I hope this night will last forever

R. Ain't nobody loves me better,
 makes me happy, makes me feel this way,
 Ain't nobody loves me better (than you)

3. I wait for nighttime to come to bring you to me
 I can't believ I'm the one, I was so lonely
 I feel like no one could feel, I was so lonely.
 I want this dream to be real, I need this feeling,
 I make my wish upon a star and hope this night will last forever

R. Ain't nobody loves me better,
 makes me happy, makes me feel this way,
 Ain't nobody loves me better (than you)

4. At first you put your arms around me
 Then you put your charms around me,
 I can't resist this sweet surrender on a night so warm and tender
 We stare into each other's eyes, and what we see is no surprise,
 We've got a feeling most would treasure
 and love so deep we cannot measure

 makes me happy, makes me feel this way,

Addicted to love

The lights are on, but you're not home
Your mind is not your own
Your heart sweats, your body shakes
Another kiss is what it takes

You can't sleep, you can't eat
There's no doubt, you're in deep
Your throat is tight, you can't breathe
Another kiss is all you need

Whoa, you like to think that you're immune to the Stuff, oh Yeah
It's closer to the truth to say you can't get enough,
You know you're gonna have to face it, you're
Addicted to love

You see the signs, but you can't read
You're running at a different speed
Your heart beats in double time
Another kiss and you'll be mine, a one-track mind

You can't be saved
Oblivion is all you crave
If there's some left for you
You don't mind if you do

Whoa, you like to think that you're immune to the Stuff, oh Yeah
It's closer to the truth to say you can't get enough,
You know you're gonna have to face it, you're
Addicted to love

Might as we'll face it, you're addicted to love 5 x

Your lights are on, but you're not home
Your will is not your own
Your heart sweats your teeth grind
Another kiss and you'll be mine

Love the One You're With by Stephen Stills

If you're down and confused, and you don't remember who you're talkin' to. Concentration slip away, 'cause your baby is so far away.

Well there's a rose in the fisted glove and the eagle flies with the dove, and if you can't be with the one you love, honey, love the one you're with, love the one you're with, love the one you're with, love the one you're with.

Don't be angry, don't be sad, and don't sit cryin' over good times you've had. There's a girl right next to you, and she's just waitin' for something to do.

And there's a rose in the fisted glove and the eagle flies with the dove, and if you can't be with the one you love, honey, love the one you're with, love the one you're with, love the one you're with, love the one you're with.

Dit dit dit dit dit dit dit dit, dit dit dit dit dit dit dit dit, dit dit dit dit dit dit dit dit, dit dit dit, dit dit dit.

Turn your heartache right into joy, she's a girl, and you're a boy. Well get it together, make it real nice, You ain't gonna need anymore advice.

And there's a rose in the fisted glove and the eagle flies with the dove, and if you can't be with the one you love, honey, love the one you're with, love the one you're with, love the one you're with, love the one you're with.

Dit dit dit dit dit dit dit dit, dit dit dit dit dit dit dit dit, dit dit dit dit dit dit dit dit
